FOR IMMEDIATE RELEASE January 8, 2019

Social Studies students from George G. White Middle School in Hillsdale recently created over 650 cards and letters for deployed local service members. Hillsdale American Legion Post 162 sent a request to help brighten the holiday season for twelve servicemen and women that may not be home for the holidays. Many of the students knew some of the names on the list and personalized the letters and cards to help brighten the spirits of local men and women that continue to serve and protect the United States. The students shared that a “touch of home” and “doing the right thing” enriched the experience and added meaning to the message they shared.
