There are **three** days built into the calendar for emergency closing. Should extra days be needed, they will be added to the calendar in this order: June 20, June 21, June 22, April 18, and April 19. If these **three** days are not needed, schools **may** close on May 27, May 31, and/or the last day of school **may** be amended with action by the Board of Education. Changing the last day of school for any reason will impact the date of 8th grade graduation. **Plans that cannot be changed should not be made without taking this calendar into consideration.**
