Dear Meadowbrook Incoming Kindergarten Parent(s),

The Meadowbrook School Staff will be conducting an in-person parent orientation for all incoming Kindergarten families on June 1, 2022, at 9:30 AM in our All-Purpose Room.

The parent presentation will walk through a day in the life of a Kindergarten student, introduce you to school procedures and daily protocol, raise awareness of current academic expectations, and review essential learning, social and emotional skills embedded in the curriculum that we develop over the length of the school year. You will meet staff members, including our school nurse, school counselor, and members of the current Kindergarten team.

This meeting is for parents only, with no more than two family members in attendance due to providing adequate spacing for all guests.

We look forward to meeting you when you arrive for your child's screening session over the next month and a half.

Welcome to our school community, and I hope to see you soon!

Kindest Regards,

Christopher Bell
Principal
