

September 2019

The “New Jersey Week of Respect” is October 7th – 11th. I have planned at least one activity/event for each day of the week. The schedule outlines the topics and activities that will be covered. These activities/events will encourage students to come together to improve the climate of Meadowbrook. The goals of developing “spirit days” will increase inclusion and eliminate name calling and bullying.

Day 1- Monday	We All Rock
Day 2- Tuesday	Everyone Counts
Day 3- Wednesday	*School is closed
Day 4- Thursday	Promote Respect
Day 5- Friday	Unite in Action

On Monday, October 7th, the students will wear their favorite music or band shirt to show we all rock!

On Tuesday, October 8th the students will show that everyone counts by wearing a jersey or a shirt with a number on it.

Wednesday-*school is closed

On Thursday, October 10th, the students will promote respect by putting name calling to bed and wearing their pajamas to school (no slippers).

On Friday, October 11th, the students will “unite in action” and prevent bullying by building school spirit. Please wear your spirit wear or gray and green!

Thank you in advance for your cooperation!
