3. **Medical Conditions** - Please list any ongoing medical conditions that might impact the child's health and well being in the child care or school setting.

a. Note any significant medical conditions or major surgical history. **If the child has a complex medical condition, a special care plan should be completed and attached for any of the medical issue blocks that follow.** A generic care plan (CH-15) can be downloaded at www.nj.gov/health/forms/ch-15_dot or pdf. Hard copies of the CH-15 can be requested from the Division of Family Health Services at 609-292-5666.

TECHNOLOGY/TELECOMMUNICATIONS

INTERNET AND ELECTRONIC MAIL

Overview of Internet and Electronic Mail Program/Procedures

We are pleased to offer students of the Hillsdale Public Schools access to the district computer network for electronic mail (**Grades 5-8**) and the Internet. To gain access to E-Mail and the internet, all students must obtain parents' permission and must sign and return this form to the School Office. **Student use of these electronic resources is a privilege, not a right.**

Access to E-Mail and the Internet will enable students to explore thousands of libraries, databases, and bulletin boards while exchanging messages with Internet users throughout the world. Families should be warned that some material accessible via the Internet may contain items that are illegal, defamatory, inaccurate or potentially offensive to some people. While our intent is to make internet access available to further educational goals and objectives, students may find ways to access other materials as well. The district has taken available-precautions, which are limited, using software to restrict access to controversial materials. We believe that the benefits to students from access to the internet, in the form of information resources and opportunities for collaboration, exceed any disadvantages. But ultimately parents and guardians of minors are responsible for setting and conveying the standards that their children should follow when using media and information sources. To that end, the Hillsdale School District supports and respects each family's right to decide whether or not to apply for access.

Google G Suite and Other Online Resources

Hillsdale Public Schools will be using Google's G Suite and numerous other online resources during the school year.

G Suite offers free web-based tools that facilitate collaboration and communication among students and staff when creating, sharing, and storing documents, assignments, videos, blogs, wikis, calendars, etc. online. Each of the G Suite tools can be assessed at school, home, the library, or anywhere with Internet access.

The Acceptable Use Policy applies at all times to the use of District provided G Suite accounts.

The following are the most common tools available to each student and hosted by Google as part of the District's online presence in G Suite:

Classroom – platform that integrates G Suite account with Google Apps services, including Google Docs, Gmail, and Google Calendar. Classroom saves time and paper, and makes it easy to distribute assignments, communicate, and stay organized.

Mail – an individual email account for school use with restricted access, Grades 5-8

Calendar – an individual calendar providing the ability to organize schedules, daily activities, and assignments and share/collaborate with others.

Drive – provides web-based tools enabling users to store, transfer, and share files, and view videos.

“Google Docs,” “Google Sheets,” “Google Slides,” “Google Forms” and “Google Drawings” are web-based services that enable users to create, edit, share, and collaborate on documents, spreadsheets, presentations, forms, and drawings.

Sites – an individual and collaborative website creation tool.

Video – an individual and collaboration video creation tool via YouTube.

In addition, original student work product, including but not limited to, written text, photographs, videotape, film or sound recordings, presentations, etc. created by the student as part of a class project and/or other assignment, may be published as part of a school-sponsored website, newsletter, and/or visual presentation, and may also be included in the public news media and/or published on public sites. Such publications or websites will not be used for commercial purposes. Any work published on the Internet will be available to a potentially limitless global audience. All such work must comply with the published guidelines established by the Board of Education.

Students need to know:

Students will follow school policies for appropriate use when using all Internet-based services like Google Apps and various other online services. These services are considered an extension of the school’s network. Students are responsible for their own behavior at all times.

Parents need to know:

The ACCEPTABLE USE OF COMPUTER NETWORKS/COMPUTERS AND RESOURCES Policy (2361) will be enforced. School staff will monitor student use of applications when students are at school. Parents are responsible for monitoring their child’s use of applications when accessing programs from home. Again, students are responsible for their own behavior at all times. The system administrators may have to examine files and email to diagnose and correct problems within the Google Apps for

Education domain and all district hardware and cloud-based applications. The School District reserves the right to access the student accounts in the domain including current and archival files.

If you have any concerns, please contact your building principal.

PARENT/GUARDIAN NETWORK RESPONSIBILITY CONTRACT

As the parent or legal guardian of the student signing the User Agreement, I grant permission for my son/daughter to access networked computer services such as electronic mail and the Internet. May 2018

Dear Parents/Guardians:

Please be advised that as per the Transportation Routes and Services Policy #8600, the Hillsdale Board of Education will continue to charge a service fee for busing. Residents that do not qualify for the state mandated 2.0 miles or more will be required to pay this service fee prior to receiving a bus pass for the 2018-2019 school year. The service fee is \$200.00 per pass per child for the first two children and \$100.00 per pass per child for each additional child. Effective July 1, 2018, credit card payments (plus a 4% per transaction fee) will also be accepted.

Just a reminder, bus passes **will not be sent out automatically**. In order to continue busing and/or obtain a bus pass for the 2018-2019 school year, the attached bus application must be completed and returned to the attention of Bonnie Giamanco, George G. White Middle School, 120 Magnolia Avenue, Hillsdale, New Jersey 07642, no later than Friday, July 13, 2018. (Applications received after this date will not be processed until the week of September 10, 2018.)

Upon receipt of your application, a determination will be made regarding your eligibility for busing. Eligible applicants (2.0 miles or more) will be sent a bus pass in the mail. Ineligible applicants will be notified via mail of their status, and upon receipt of the fee a bus pass will be issued. **Please be advised that a bus pass will not be sent until payment is received.**
